An elegant style of Cava, it is delicately lifted on the nose showing lemongrass, mandarin, floral and almond notes. The palate shows fine texture and bright fruit flavours, backed by crisp acidity. This is a mouth-watering, charming sparkling wine offering attractive fruit flavours with subtle savoury complexity.

Fruity bouquet of ripe peach and yellow plum, some grapefruit and other citrus suggestions are quiet though noticeable; mild autolysis. On the palate – fruity, crisp, fresh and dry; flavours of stone fruits and citrus trump the autolysis which remains quiet, but still adds some complexity; crisp and firm on the finish with a decent fine bubble and mousse, medium length, balanced and well made.
