Light, fresh and ethereal riesling with gentle lime, floral and chalky mineral flavours. Medium-dry in style with good sweet/acidty tension and a refreshing and lengthy finish. Drink 2017 to 2022.

This is off-dry, similar to a kabinett in style. Scents of flowershop greens, green apple and lime give a zesty first impression, confirmed by crisp acids, light-medium body and a lingering, mouthwatering finish. The end result is balanced, delicate and intense at the same time.
