Blue-Gold Medal

Peachy, white nectarine, creamy aromas. Bright palate, stone fruit and touch of oatmeal. Fullish slightly sweeter palate. Enhanced with the food. Plenty of character to match the dish and crisp acidity refreshed the palate. - Kym Milne, MW

Elegant, classical, taut Brut style. Persistent bead. Restrained, citrus, white flower, chalk, gentle biscuit autolysis. Refined, focused and dense palate, good textural finesse and linear acidity. Long, refined finish. - Matthew Dellar, MW

This year marks the 20th anniversary of the launch of Hunter's MiruMiru™, now firmly established as a New Zealand classic. This NV release offers biscuity apple aromas and a weighty, balanced, complex mouthful. It flows with tightness and discipline through to a crisp, lifted finish.

Thank God for wineries that aren't content for a good thing to remain a good thing, but do everything they can for it to become a better thing. The latest release Hunters Mirumiru NV, which I've tasted on a couple occasions recently, is the best iteration yet of this consistently fine Marlborough methode traditionnelle sparkling wine. The Mirumiru NV is a blend of all three champagne varieties: chardonnay (which dominates), pinot noir and pinot meunier. Fresh croissant scents, yellow flower flavours, elegant mousse and remarkable persistence are all part of a sophisticated package. And at \$29 a bottle, I'd also rate it one of the top value methodes in the country.

Hunter's Wines is one of Marlborough's first wineries and is the region's second winery ever to produce bubbly made using the traditional technique used in Champagne – the so called traditional method of creating bubbles in the bottle during a second fermentation. This results in greater density of bubbles and massively more complex, yeasty flavours than most sparkling wines made in sealed tanks where the CO2 from fermentation dissolves into the wine. MiruMiru NV is super fresh in flavour with intense yeasty aromas and fresh bakery flavours in every complex sip. Its bubbles are fine and lingering, just like champagne, only a hell of a lot more affordable.

Straw gold with delicate lemon hues and tiny bubbles levitating to the rim. The bouquet offers up a vanilla creaminess, a suggestion of creaming soda, a hint of toast – something delicate yet tantalising in there. Beautifully rounded and creamy in the mouth with the bubbles breaking softly into foam, a harmonious citrusy brightness all the way through and a hint of rosehip on the finish. This blend of Chardonnay, Pinot Noir and Pinot Meunier isn't too bold or edgy, giving it all round appeal.

Aromas of toast and lemon and a rich mouth filling creamy texture perfectly balanced with crisp acidity. This is our Champion Sparkling Wine, a shrewd purchase for a wedding and it's amazing with freshly shucked Bluff oysters.

A blend of the three Champagne varieties: chardonnay, pinot noir and pinot meunier. The wine shows a delightful freshness with an ethereal texture and flavours suggesting citrus/grapefruit, brioche and hazelnut.

The delicate aromas of rising dough, shortcrust pastry and lemon and almond biscuits make this practically unputdownable. The bead is pinprick fine, the mouthfeel pillowy-soft and the finish has a faint caramel and citrus note.

Miru Miru' means 'Bubbles'. This wine is disgorged earlier than its Reserve stablemate, has a lower Pinot Noir content and a crisper finish. A blend of Chardonnay, Pinot Noir and Pinot Meunier, it is typically fresh and aromatic, with an attractive lightness and vivacity. It has crisp, citrusy, appley, yeasty flavours, showing good tightness, delicacy and complexity.

Clean, fresh, floral aromas. Balanced and harmonious with good line and balance. Citrusy style with a lovely texture and fizz. A good middle-weight example, could be Champagne but the ripeness of the fruit flavours suggests a slightly warmer climate.

Very much alive and crisply fruited sparkling, tingling with life and energy. A great pick-me-up after work, lazy day or an aperitif, the life and zing of this wine give it enormous credentials. My sample tastes pretty dry yet balanced with a hint of sweetness in traditional form.
