

PIONEERS IN
SUSTAINABLE WINEMAKING

GROVE MILL

NEW ZEALAND

A pioneer in the Wairau Valley, Grove Mill is dedicated to crafting premium wines with minimal environmental impact. The Southern Bell Frog, for which we have established a wetland beside our winery, is a symbol of our commitment to preserve our land for the enjoyment of future generations.

VINEYARDS

The fruit for our Pinot Gris comes from some of the oldest vineyards in the Wairau Valley known for producing distinctively aromatic white wines. Shallow, rocky, fast-draining soils combined with the warm, dry climate make the region ideal for cultivating complex flavours and bright acidity.

WINEMAKING

The grapes were harvested during the cold of the night to avoid unnecessary phenolic extraction and to preserve primary fruit. Gentle winemaking techniques and cold fermentation (83% stainless steel, 17% old French oak) helped to protect the bright fruit characters. Lees contact after fermentation gave the wine great texture and richness.

2016 PINOT GRIS

Our 2016 Pinot Gris is pale straw green in colour and offers intense aromatics to intrigue the senses. Lovely floral characters combine with fresh peach, pear and spice. On the palate, flavours mimic the bouquet with an off-dry style, creamy texture and layers of flavour.

COMPOSITION: 100% Pinot Gris

REGION: Wairau Valley

AGING: 83% Stainless steel, 17% French oak (5 months)

ALCOHOL: 12.5%

PH: 3.49

TA: 5.3 g/L

RS: 6.04 g/L
