Fine layers and tease in the bouquet with light red fruits and abundant yeasty autolysis – quite complex and attractive overall. On the palate – fresh, crisp, dry and packed with flavours of light red fruits – strawberry and red plum, rose and cherry; mild to moderate yeasty moments, plenty of acidity and longer finish, balanced and well made with a light savoury finish.

Beautifully fragrant and inviting, the nose shows strawberry tart, ripe citrus and floral notes, followed by a vibrant palate that is juicy and flavoursome. It is zesty and bright, and lingering and tasty.
