This is full of juicy stone fruit, mandarin and pear flavours with subtle citrus and floral undertones. The palate delivers excellent fruit intensity and silky texture, beautifully enhanced by rounded mouthfeel and refreshing acidity. A real crowd-pleasing style offering loads of tasty flavours. At its best: now to 2018.

Floral, full-bodied and fleshy wine, grown in the Wairau Valley and partly (15%) barrel-fermented. Stonefruit flavours, showing very good ripeness and depth, and a slightly sweet, finely balanced finish.
