FINE RUBY

RAYMONDCHANWINERVIEWS.CO.NZ

Raymond Chan, June 2012

18/20 Points

Aged in cask on average 3 years, 19.0% alc. Dark ruby-red colour, the nose shows fresh, vibrant, ripe black and red fruit aromas with good depth and richness. Sweet to taste, soft dark red berry fruits are the feature, the ripeness and lush richness balanced with clean alcohol cut and underlined by very restrained tannins. This has good freshness and vitality, the acidity discreet, but the richness and sweetness remains prevalent. The wine finishes with a slightly drying, textured finish. This is a ripe, richly fruited Ruby with good freshness.
