CENTRAL COAST CHARDONNAY 2013

Sam Kim, August 2016

4.5 Stars & 91 Points

A beautifully styled chardonnay, the wine offers elegant fruit intensity with flinty complexity, displaying grapefruit, nectarine, gun smoke and almond characters on the nose, leading to a beautifully weighted palate that is finely textured and focused. Restrained and complex at the same time. At its best: now to 2018.
