This ever so popular Cava delivers pleasure and comfort. Fresh aromas of crunch apple and ripe citrus on the nose with hints of almond and floral. The palate is vibrant and crisp, and shows lovely rounded texture, leading to a juicy, refreshing finish.

Fragrant and quite fruity with aromas of fresh orchard fruits – apples and peaches, finer lighter autolysis and mild complexities. On the palate – just dry with some light residual sweetness, fruity still with apples and peaches abundant, high acidity, fresh, lively and with bold mousse; classic Cava, balanced and well made.
