Dogma Bordeaux Bottle 750 ml.

Aged 6 months in French oak barrels.

Colour: Very vivid red garnet with significant violet notes and intense robe.

Aroma: The intensity and complexity of this wine is striking, with fruity note blends of hints of berries, floral notes and a distinct spicy character, including cedar, toast, clove and vanilla.

Palate: The smoothness and freshness, as the seamless integration of acidity surprising insofar the wine temperature increases on the palate, revealing its structure and an excellent aftertaste. Pleased to be finally consumed, taking advantage of the passage of approximately five years in the bottle.
