2015 RIESLING WAIRAU VALLEY, MARLBOROUGH

ABOUT US

A pioneer in the Wairau Valley, Grove Mill is dedicated to crafting premium wines with minimal environmental impact. The Southern Bell Frog, for which we have established a wetland beside our winery, is a symbol of our commitment to preserve our land for the enjoyment of future generations.

VINEYARDS

The pristine fruit for our Riesling is the result of good soil and canopy management, along with cold nights during ripening and a beautiful Indian summer. Our unique climate keeps all the concentrated flavours in the grapes which you can taste now in the wine.

WINEMAKING

The grapes were harvested during the cold of the night to avoid unnecessary phenolic extraction and to preserve primary fruit. Gentle winemaking techniques and cold fermentation in 100% stainless steel helped to protect the bright fruit characters. Lees contact after fermentation gave the wine great texture and richness.

WINE

Our 2015 Riesling offers a bouquet and palate reminiscent of summers past. Ripe apple and citrus blossom flavours are delicately balanced with a refreshing acidity and a touch of sweetness.
