SELECCIÓN RAVENTOS BRUT ROSÉ NV

WINEORBIT.CO.NZ

Sam Kim, March 2016

4.5 Stars & 91 Points

This is richly flavoured and immediately appealing on the nose showing red cherry, strawberry and red apple notes with subtle yeast complexity. The palate delivers excellent weight and roundness as well as bright fruit flavours and juicy acidity. It is long and delicious.

Quite a toasty bouquet with aromas centering on the autolysis first then peach and light red fruits of plum and strawberry, rose moments and a milk chalkiness follow. On the palate – quite peachy at first then strawberry, plenty of acidity and weight then a light savoury layer emerges adding complexity, quite fruity on the finish, fresh and lively – will please many who try.
