Not your typical SB bouquet - this wine has an elegance and sophistication not often found in New Zealand examples: a core of minerality with a subtle spice then lush and fleshy white fruit and citrus aromas. On the palate - vibrant, highly energised with electric acidity and SB flavours of grapefruit and Meyer lemon, crisp apple and moments of barrel spice. This wine is about texture and flavour, varietal signature, elegance and charm. Long finish. Drink now and through 2022.
