An attractively integrated and quite focused pinot noir that has dark cherry fruit aromas and flavors at its core. Supple tannins. Bold but beautiful.

This drink-young style from Pegasus Bay was grown at Waipara and matured for 18 months in French oak barriques. It is deep ruby, full-bodied (13.5% alc/vol) and fresh, with strong, plummy, spicy flavours, savoury notes adding complexity, and a finely textured, persistent finish.
